**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition. I believe having a choice in broadband providers is the only way to protect consumers from large corporate greed and their free reign to dictate pricing. Competition is the cornerstone of a free market. Do not let a few large providers monopolize the market at the consumers' expense.

Sincerely,
